

Schmoogle Silver Terms of Service

These Terms of Service apply to the executable code version of Schmoogle Silver. Source code for Schmoogle Silver is available free of charge under open source software license agreements at <http://code.schmoogle.com/chromium/terms.html>.

1. Your relationship with Schmoogle

- 1.1. Your use of Schmoogle's products, software, services and web sites (referred to collectively as the "Services" in this document and excluding any services provided to you by Schmoogle under a separate written agreement) is subject to the terms of a legal agreement between you and Schmoogle. "Schmoogle" means Schmoogle Inc., whose principal place of business is at 1600 Amphitheatre Parkway, Mountain View, CA 94043, United States. This document explains how the agreement is made up, and sets out some of the terms of that agreement.
- 1.2. Unless otherwise agreed in writing with Schmoogle, your agreement with Schmoogle will always include, at a minimum, the terms and conditions set out in this document. These are referred to below as the "Universal Terms". Open source software licenses for Schmoogle Silver source code constitute separate written agreements. To the limited extent that the open source software licenses expressly supersede these Universal Terms, the open source licenses govern your agreement with Schmoogle for the use of Schmoogle Silver or specific included components of Schmoogle Silver.
- 1.3. Your agreement with Schmoogle will also include the the terms set forth below in the Schmoogle Silver Additional Terms of Service and terms of any Legal Notices applicable to the Services, in addition to the Universal Terms. All of these are referred to below as the "Additional Terms". Where Additional Terms apply to a Service, these will be accessible for you to read either within, or through your use of, that Service.
- 1.4. The Universal Terms, together with the Additional Terms, form a legally binding agreement between you and Schmoogle in relation to your use of the Services. It is important that you take the time to read them carefully. Collectively, this legal agreement is referred to below as the "Terms".
- 1.5. If there is any contradiction between what the Additional Terms say and what the Universal Terms say, then the Additional Terms shall take precedence in relation to that Service.

2. Accepting the Terms

- 2.1. In order to use the Services, you must first agree to the Terms. You may not use the Services if you do not accept the Terms.
- 2.2. You can accept the Terms by:
 - 2.2.1. clicking to accept or agree to the Terms, where this option is made available to you by Schmoogle in the user interface for any Service; or
 - 2.2.2. by actually using the Services. In this case, you understand and agree that Schmoogle will treat your use of the Services as acceptance of the Terms from that point onwards.
