Harnessing Digital Disruption to Refocus & Update Your School Library Model & Promote Digital Literacy
In the past libraries held all the information.

Users went to the library:

- to source information
- use computers & technology
- to read books, newspapers & periodicals
“The secret of change is to focus all of your energy, not on fighting the old, but on building the new”

Socrates
Today: Libraries connect you to information and more!

What do all these companies have in common?
UBERFICATION

- Uber
- Airbnb
- Netflix
- Facebook
- Telco

Ownership:
- Uber owns no taxis.
- Airbnb owns no real estate.
- Netflix owns no cinemas.
- Facebook owns no content.
- Telco owns no infrastructure.
Digital Disruption

- Social
- Sustainable (Uberification)
- Instant Gratification
- Convenience (Costs us less in time, not just money)
- Psychological Appeal
Innovation has less to do with Technology than it has to do with how you think about the opportunities to evolve or to create.
