

UQL Cyberschool SEMINAR 2018

Services for secondary schools

DESIGN THINKING and the Digital World

Join us at the UQL Cyberschool seminar for a day of information-sharing and professional development. The seminar will focus on applying design thinking models and how we, as educators, work in a digital world.

Who should attend?

- School Principals
- Deputy Principals
- Heads of Departments
- Teacher-Librarians
- Teachers

Friday, 20 July 2018
