Fill out the sections below to plan and organise your SEARCH

Select your research questions. What question(s) do you have? Write the question(s) below.

Extract keywords and terms. Be broad or specific, depending on your goals. Use synonyms, and apply some of the strategies you learned. Write your keywords below.

Apply search strategies. What search strategies will help you find the information you need? Write down your keywords with search strategies applied.

Plan your search. Search using the terms that you chose and look at the results. Remember to check out several sources.

Chart your search. Keep track of what you searched for and where, so that you don’t repeat work. List down what you searched for and where you searched for it.
